Experience

Presently, Mike owns and manages a property
investment and management company comprising a
portfolio of residential and commercial properties. He

also jointly owns a childrens' specialist residential care company.

Mike has previous experience with the Housing Corporation, where he developed a sound understanding of strategic capital and revenue accounting, social housing investment, regulation, inspection and financial appraisals.

He has over 28 years' experience of middle to senior management and is qualified and experienced in recruitment, people and resources management, and the strategic leadership of organisations.

In 1994, Mike was successful in winning a national competition (The Malcolm Magee Memorial Award) and is a graduate of the Nottingham Common Purpose programme.

Mike has considerable experience of service planning and review, operational and strategic planning, the mechanics of local and central Government and working within political and performance-driven environments. He has 20 years' direct business management experience.
