

Tenant Academy

Support with childcare expenses*

Here at The Tenant Academy we want you to access our FREE courses and training, with ease, for FREE

- ✓ If you've booked your space on any of the Tenant Academy training courses, and need childcare, we're able to support you in finding registered childcare providers near to your address, or near to the address of the training venue and get the cost repaid to you.
- ✓ You will need to be a Nottingham City Homes Tenant or Leaseholder and complete an Expenses Claim Form and provide your receipts.
- ✓ You will decide which registered childcare provider to use and make sure you supply us with the receipt when completing your Expenses Claim Form.
- ✓ You are able to claim half a day, or a full day, dependent on the length of the course.

*Please note: Carers expenses cannot be paid to people related to the carer and / or 'dependant relative.

To request your Expenses Claim Form call 0115 746 9100 or email involvement@nottinghamcityhomes.org.uk
