

Raising a repair job: step-by-step guide

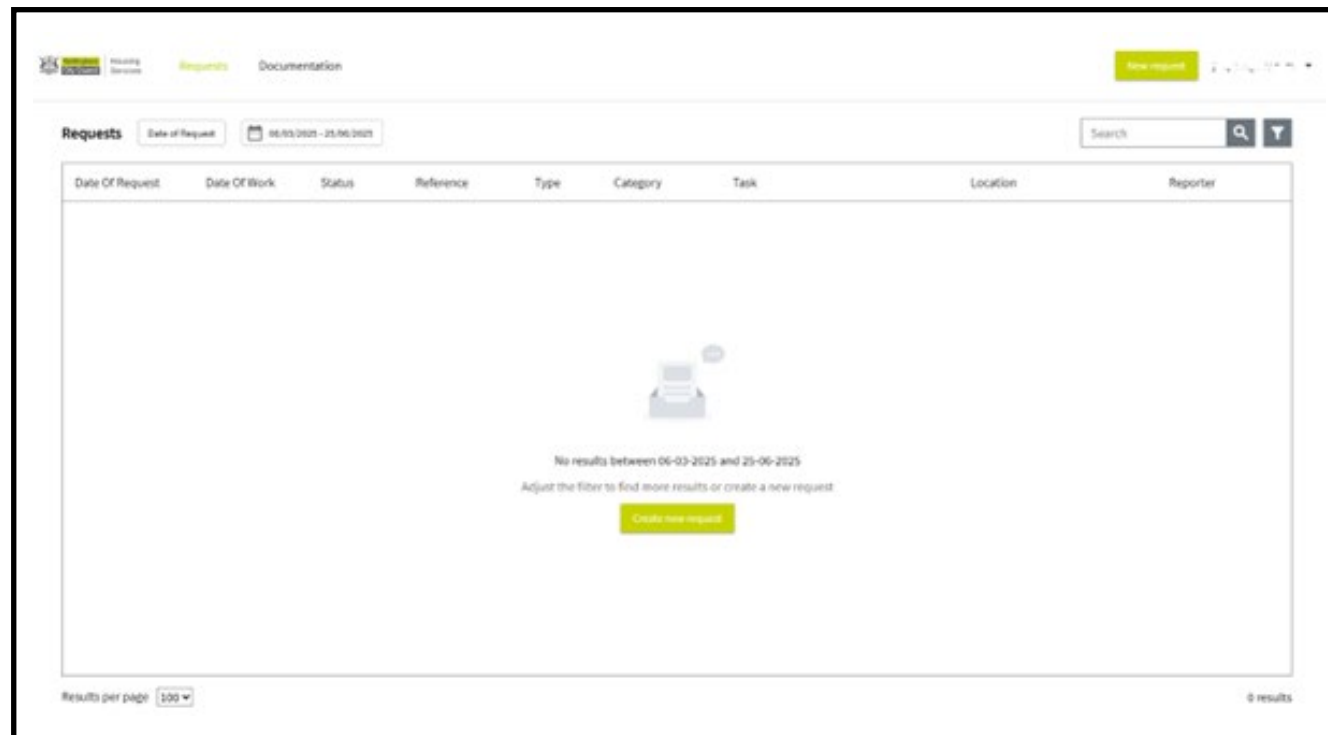

Nottingham
City Council

Housing
Services

Our Tenant Portal is an interactive webpage where you can easily report repairs and book your own appointments, track your repairs in real time and see when someone is coming, and see the repair history for your home.

This short guide explains how to use the portal to raise a job.

Open the Tenant Portal and create a new request.

You will be asked to confirm your address.

The image shows a 'New Request' form with a progress bar at the top. The progress bar has five steps: 1. Location (checked), 2. Issue (active), 3. Contact, 4. Attachments, and 5. Summary. Below the progress bar, the title 'New Request' is centered. The form has two input fields: 'What's the problem?' and 'Choose a service'. The 'What's the problem?' field is highlighted with a yellow underline. Below these fields is a text input area with the placeholder 'Start typing the issue...' and a dropdown arrow. Below the text input area is a note: 'If you can't find the service required, please call {telephone number}'. At the bottom are two buttons: 'Back' (yellow) and 'Next' (grey).
